

The image features a large, white, circular graphic element in the upper half. Inside this circle, the words "HILLTOPPER" are written in a bold, black, stylized font. The letters are thick and blocky, with some internal white space. Below the circle, the same words "HILLTOPPER" are repeated in a 3D, blocky font. The letters are white with black outlines and are set against a black background. The overall design is reminiscent of mid-20th-century graphic art.

I'm sure the congregation got the full meaning of the Epistle. Father Harrington's homily had a great meaning and message to the associated students and faculty. All in all the Mass was truly significant and gave great insight as to what to expect in the coming year here at Carroll College.

The Junior Class with a helping hand from the Seniors put on a very successful and well-attended Smoker. On March 23, with the diligent effort of Maria McCarthy, Judy Doyle, Sue Giles, Martha Culbertson, Mark Murray, Gary Stoick, Maggie Swenson, Kelly Conrad and the whole Junior Class, all went well and 13 fights went as scheduled.

Boxers from Helena, Anaconda, Missoula, Lewistown and Gonzaga University participated.

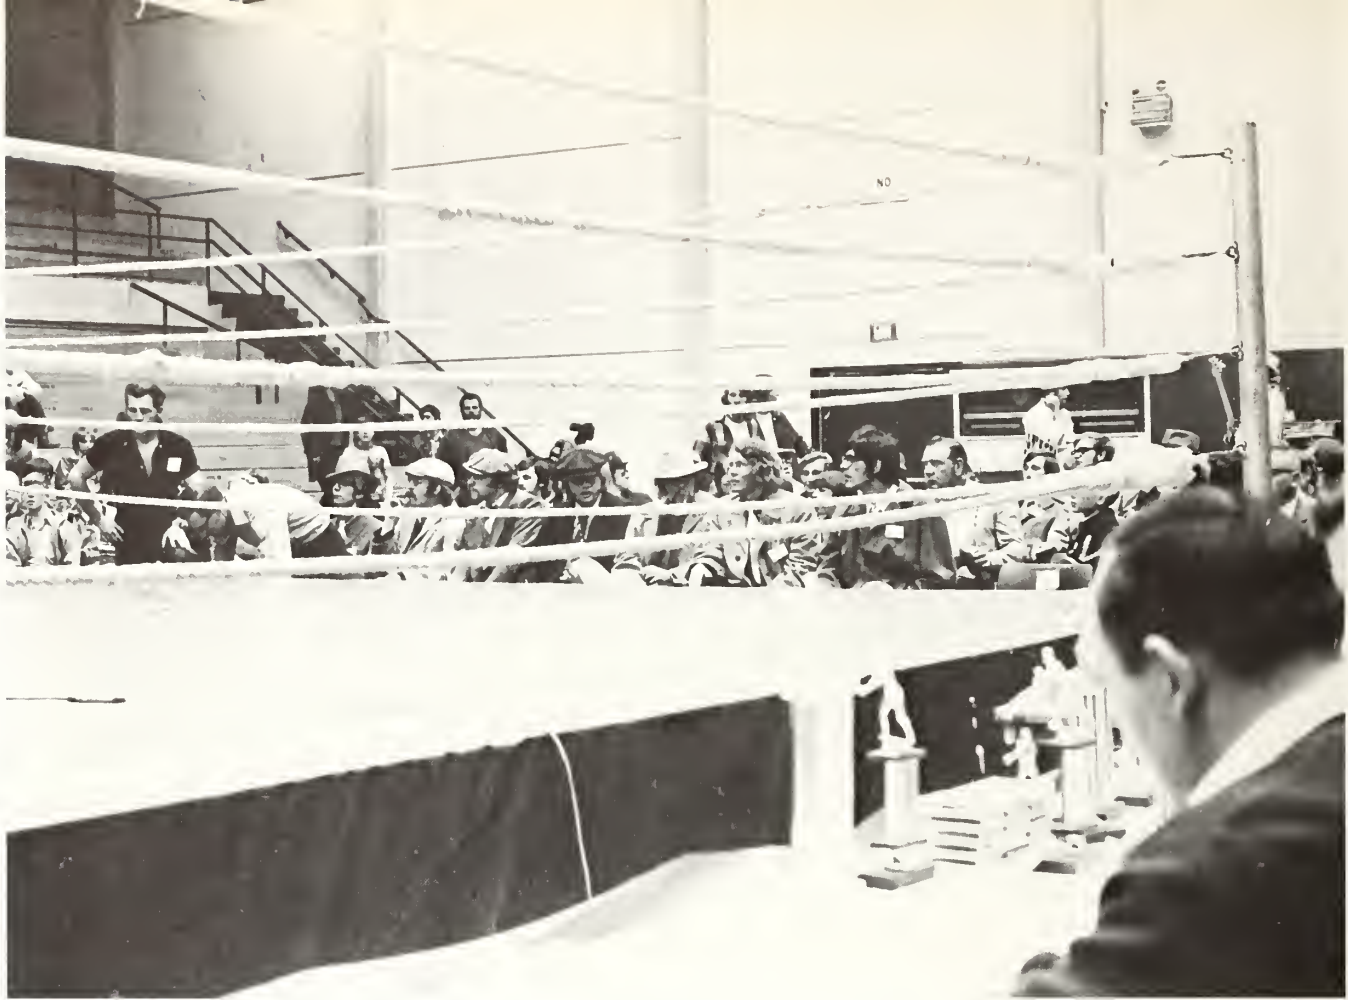

A thank you is also due to Dink Dalton, Bill Fleiner, and Duane Superneau who scheduled and participated in a contest at the Black Sands restaurant to see who could eat a 64 oz. steak, all to kick off a week of publicity making.

Blood Drawing

Giving blood was never my idea of having fun, but this year, April 12 and two other dates earlier students gave pints of life to help others. At least sandwiches and punch were served to those who participated, but even that didn't lessen the initial pain of having an inch-long needle stuck half-way up your arm.

In the year of the rat king, Marcus Primus took possession, by force, of the territory of Fifth Main. This is a hallowed land closer to heaven but also giving its members a running start, down. Not unlike any other society there was a revolution headed by S.V.N.A., (Students for Violent Non-Action) with revolutionary leaders as: The Arc, Bishop, The North Pole, Killertites, Mic, The Wizard, Dago Frizz, The Baron, Boy Wonder, Sweety, Doc, Father Jet's, Mac, Flat Matt and a Partridge in a pear tree, all teaming up against the loyalists Uncle Bob, Uncle Brandt, and King Marcus Primus. Out of the revolution came our credo — "If the violence is to continue, our cead must be spread, and in whatever comfort we may find, no matter ill or legitimate, our Brainchild, our revolution shall be perpetuated, S.V.N.A. shall prevail.

Hallowed be Fifth Main,

Baccalaureate

and Graduation

Graduating from Carroll undoubtedly means different things to different people. Some see it as a time for extreme jubilation . . . and why not? It's their privilege. Having finished four (but usually more) years' study, at the school, aspiring for a B.A. or B.S. in their chosen field of study, they are now ready to face the real world, so full of money and jobs. Right?

Sen. Strom Thurmond

Al though four speakers are the usual number for the Walsh Lecture Series, three showed this year with Jack Anderson not being able to keep his engagement to appear. The three distinguished men that did appear were Michael Harrington; Rosie Greer, bodyguard to the late Robert Kennedy; and Strom Thurmond, senator from North Carolina.

Strom Thurmond is noted for his history-making predictions and achievements, his independence, adherence to Constitutional principles, economy in the government and his strong support of military preparedness.

The Saints started off the season poorly. Carroll's first setback came at the hands of powerful Minot State of North Dakota by the score of 31-14. Next week the Saints travelled to Rexburg, Idaho where they were beaten in a close game by Ricks College 13-6. At this point things looked dim for Carroll. They had lost their first two games and the following week they had to open the Frontier Conference season against the Eastern Montana Yellowjackets in Helena. The Carroll defense shined. They picked off two Eastern passes and recovered two fumbles limiting the Yellowjackets to 120 total yards and one touchdown. The final score: Carroll 27 Eastern Montana 6.

The following week the team travelled to Billings only to be upset by Rocky Mountain College 17-7. Despite two Saint fumble recoveries, the offense was unable to produce more than 7 points. Carroll's record now stood at 1-3. What had looked like a championship year, now appeared very dismal. The only plus up to now was the running of fullback Dan Rambo, who in the Carroll victory over Eastern rushed for over 200 yards.

At a time when all had given up hope for the success of the Saints, the team outplayed Dickinson State of North Dakota. They won 27-7 in North Dakota. The Carroll defense forced Dickinson into 5 fumbles and two interceptions for a total of seven turnovers. The offense provided four touchdowns and the Saints looked like a completely rejuvenated outfit. Their record now stood at 1-1 in conference play. The Saints now had to win their next two games to remain in contention.

October 21, Carroll College Homecoming day 1972. The Saints were at home against the Orediggers from Montana Tech. This was a must game for Carroll. Last year they had lost a heartbreaker to Tech in Butte by the score of 10-7. The Saints were out for vengeance. Also the past few homecoming games for Carroll had been winless. The coaches were up, the team was up, and the students were up. Before a packed stadium the Saints completely outclassed Tech. They rolled up a 17-13 victory. The Carroll defense again sparked. They forced Tech into three fumbles and limited them to a total of 114 yards. The offense behind the powerful running and passing of Rod Moore was overpowering. Vengeance had been achieved.

Now Carroll was at 2-1 in Conference action. They had won their two previous games and now were on their way to Dillon to face the Western Montana Bulldogs. Again it was no contest as the Saints behind Rod Moore and Jim Von Doehren walloped the Bulldogs 30-13. The defense intercepted two passes and recovered two fumbles in a superbly played game. Comeback!! The Saints had done it. After a disappointing start, they had won 4 out of the last 5 games and clinched the Conference Championship. Coach Petrino and his team had proven themselves. During the season Dan Rambo rushed for 537 yards and Rod Moore rushed for 392 yards. Jim Von Doehren led the team in passing yardage with 194 yards. In receiving it was Walter Chancy with 12 receptions for 180 yards. Pretty impressive statistics! On defense Randy Triplett led all with 26 unassisted tackles, 80 assisted tackles, 4 fumble recoveries and most impressive, he dumped the quarterback 9 times.

Before the season started, Coach Bob Petrino promised a winning season at Carroll. Not only did he achieve this, but also the Carroll College Fighting Saints captured the Frontier Conference Crown. Coach Petrino was awarded at the season's close by being named Frontier Conference "Coach of the Year." What more can we say, except, "Good job Coach and Staff."

Carroll was further recognized when in November the 1972 Frontier Conference "All Conference Team" was announced and Carroll found no less than 13 members from their team included in it. They were:

First Team — Defense

Randy Triplett — Lineman
Tim Racicot — Linebacker
Rich McElmurry — Secondary

Second Team — Defense

Dick Canty — Lineman
Jim Kelly — Linebacker
Bob Applegate — Secondary

First Team — Offense

Armando Barragan — Guard
Bert Glueckert — Tackle
Dan Rambo — Running Back
Walter Chancy — Wide Receiver

Second Team — Offense

Ed Robinson — Tackle
Fred Merrick — Wide Receiver
Rod Moore — Quarterback

What can we say except, "Congratulations team, good job, and continued success!"

As far as national recognition is concerned, Carroll was ranked in 4 categories by the NAIA (National Association of Intercollegiate Athletics):

Hello again everyone, this is Jim VonDoehren speaking of sports, from the campus of Carroll College. In the headlines this year, the Carroll College "Fighting Saints" under the direction and leadership of Jim Trudnowski and Jim Gross, underwent a satisfying but unsuccessful season. The Saints finished with a 4-11 conference record, and a 12-16 overall record.

The Saints' record doesn't tell the story whereas a number of players received special honors, for their fine play, at the end of the season. With the graduation of 3 seniors, Captain *Lou Durante*, a 3 yr. starter, *Brian Donahue* a 2 yr. leaderman, and *Jack Waddle* a 3 yr. leaderman, the "Fighting Saints" future still looks bright on the hardwood court.

The top point producer for the Saints' freewheeler offense was *Dave Leslie* at an 18.4 a clip. Doing the rebounding chores was *Dave Pillatzke* who grabbed 12.8 a game while, *Fritz Wolk* had 8.0 a game. The floor general, who the Saints went to in time of trouble was *Lou Durante*. All throughout the season, *Dave Cleaves* did a fine job coming off the bench where towards the middle of the season he broke the starting line up to finish at 12.8 a game.

We the students, can be proud of All-League Players *Dave Leslie* and *Dave Cleaves* who received 2nd Team honors, and *Fritz Wolk* and *Dave Pillatzke* who received Honorable mention.

Also along the note of receiving honors was *Lou Durante* who went to Europe along with other "Frontier Stars" to play exhibition games against 3 European countries. These Stars finished a fine Frontier Conference season with a 17-0 record.

Intramurals

This year intramurals was handled in a new way. To even up competition, teams were organized by floors in the dorms instead of by friends.

St. Charles and Borromeo started off at a good pace with football but fizzled out in the middle of basketball season, when due to comments from several team members, all games that had been played were cancelled and re-scheduled. Spirits were dampened considerably, which resulted in total apathy.

In Quad's intramurals, First New were the winners' of the Sport's Trophy for winning: Basketball, Volleyball, Softball and Swimming, losing only in Football to Second New.

Who's Who

Twenty-two Carroll seniors were selected for "Who's Who Among Students in American Universities and Colleges." They were chosen on the basis of academic achievement, leadership in academic and extracurricular activities, citizenship and service to the school, and promise of future usefulness. The selection is made by a committee made up of students and faculty members.

Forensics Winning

Jocelyn Sajor, a Freshman from Butte captured first place in oratory in the fourteenth annual Treasure State Speech Meet January 20 on the campus of Montana State University at Bozeman. The small but talented speech team from Carroll displayed strength and depth in nearly all events at the Bozeman contest. Eighteen schools from the Northwest participated in this major forensic tour-

namment. Carroll continues to dominate the oratory competition with three of the first five places going to Carroll students. Along with Sajor's first place Dolores Cikrit of Big Sandy took third and veteran Mike Shields of Anaconda, fourth place. The Senior Division debate team of Ed Sheehy, San Francisco, and JoAnne

Jordan of Fort Benton took third place in debate. Peggy Mangan of Anaconda was fourth in Oral Interpretation of Literature. Other members of the 1972-73 team include Maggie Moffitt, Jim McClean, and Peggy O'Malley. Harry Smith, Speech Team Coach, reports that the team's next meet will be here at Carroll

on February 9-11 when Carroll is the host of the 1973 Montana State Speech Meet. The team will travel to Omaha, Neb. in March to participate in the 1973 Pi Cappa Delta National tournament. The Big Sky Meet at the University of Montana will conclude another successful season for the Carroll squad in April.

CARROLL COLLEGE

OFFICE OF THE PRESIDENT

MAY 1, 1973

DEAR STUDENTS AND GRADUATES:

FOR THOSE READING A YEARBOOK, PERHAPS A REFLECTION OF WHAT YOUR COLLEGE YEARS SHOULD HAVE BEEN LIKE WILL BE USEFUL TO PLACE THINGS IN PERSPECTIVE AT SOMETIME IN THE FUTURE.

THERE ARE SOME TODAY WHO QUESTION THE VALUE OF A COLLEGE EDUCATION -- WHO WONDER WHETHER IT WAS REALLY WORTH ALL THE EFFORT, ALL THE EXPENSE.

ONCE ONE HAS ACHIEVED LITERACY, FOR THOSE OF US WHO ARE SUFFICIENTLY MOTIVATED, THERE ARE LIBRARIES AND OTHER RESOURCES AVAILABLE TO HELP ONE LEARN. ALSO THERE ARE TECHNICAL PROGRAMS WHEREBY A PERSON CAN GAIN SPECIAL SKILLS -- TO DO A PARTICULAR JOB AND TO DO IT WELL. THESE PROGRAMS MAY TAKE ONLY A FEW MONTHS TO COMPLETE AND USUALLY COST MUCH LESS THAN A COLLEGE EDUCATION. THESE FACTORS SEEM TODAY TO ARGUE AGAINST THE NEED FOR A COLLEGE EDUCATION.

WHAT THE COLLEGE OFFERS THAT IS SPECIAL IS AN ENVIRONMENT TO ASSIST THE STUDENT IN GROWTH TO A GREATER SPIRITUAL, INTELLECTUAL AND SOCIAL MATURITY. WE OFFER HELP TO FACILITATE AN APPROACH TO LIFE ITSELF AND THE MEANING OF LIFE; THE COLLEGE IS HERE TO ASSIST EACH ONE DEVELOP MORE FULLY AS A PERSON.

THE OBJECTIVE HAS NOT BEEN MERELY TO TRAIN YOU TO DO SOME PARTICULAR TASK WELL -- ALTHOUGH YOU SHOULD HAVE BEEN ABLE TO ACQUIRE FIRST LEVEL COMPETENCY IN VARIOUS PROFESSIONAL AND ACADEMIC FIELDS. THE OBJECTIVE WAS NOT TO GIVE YOU ANSWERS -- ALTHOUGH YOU HAVE HAD THE OPPORTUNITY TO ACQUIRE NEW KNOWLEDGE AND DEEPER UNDERSTANDING.

AT THE RISK OF OVERSIMPLIFYING, I WOULD SAY THAT ULTIMATELY THE PURPOSE OF THE COLLEGE EXPERIENCE WAS TO HELP YOU LEARN HOW TO ASK THE RIGHT QUESTIONS --- TO HELP YOU ANALYZE A PROBLEM IN ALL ITS ASPECTS -- AND SO TO HELP YOU FIND ANSWERS TO QUESTIONS THAT ARE YET TO BE RAISED. THE COLLEGE EDUCATION AT CARROLL IS DESIGNED TO HELP YOU LEARN HOW TO GO ON LEARNING IN YOUR PARTICULAR FIELD OF INTEREST AS WELL AS TO APPROACH THE UNKNOWN IN OTHER FIELDS. IT IS DESIGNED TO HELP YOU MUSTER ALL AVAILABLE RESOURCES IN YOUR SEARCH FOR KNOWLEDGE, UNDERSTANDING AND WISDOM.

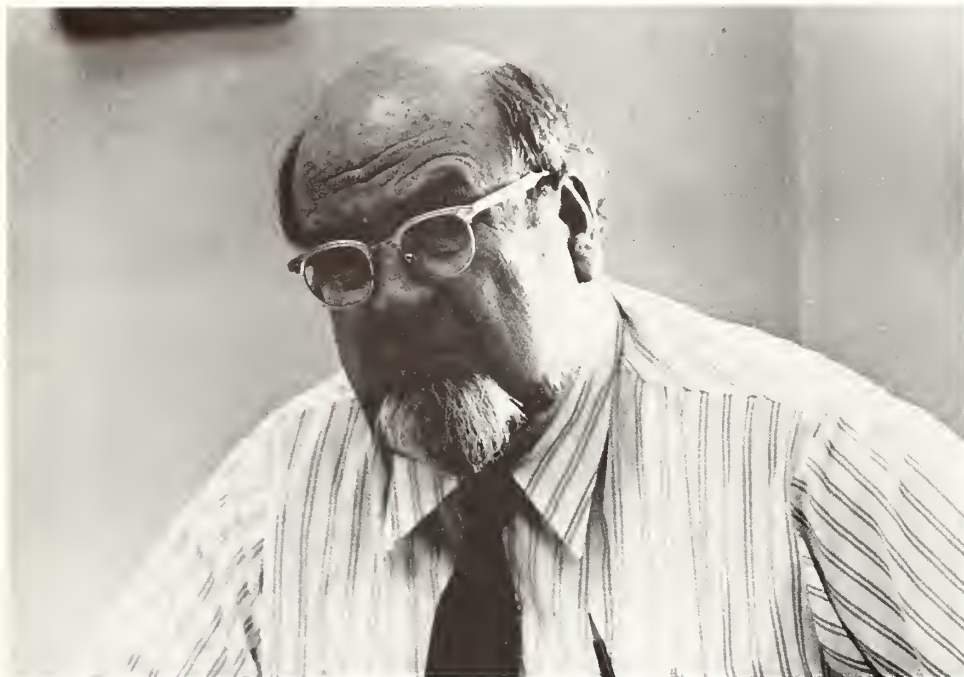

IF THE COLLEGE EXPERIENCE WAS RIGHTLY USED, YOU WILL HAVE ENRICHED YOURSELF BY ENRICHING OTHERS THROUGH SHARING WHAT YOU HAVE. THIS MEANS HAVING SHARED YOUR CONVICTIONS, YOUR DOUBTS, YOUR PREJUDICES AND BIASES, YOUR QUESTIONS, AND YOUR IDEAS. TO HAVE LOCKED THESE THINGS UP INSIDE YOURSELF WOULD HAVE SELF-DEFEATED THE EFFECTIVENESS OF COLLEGE LIFE. TO HAVE SHARED IS THE ADVENTURE OF EDUCATION AT CARROLL COLLEGE. IT IS IN SHARING THAT WE BECOME RICHER PERSONS CAPABLE OF ASKING THE RIGHT QUESTIONS UNDER THE VARIED CONDITIONS AND CIRCUMSTANCES THAT ARISE THROUGHOUT A LIFETIME.

FOR THIS ACHIEVEMENT IN EACH STUDENT, WE PLEDGE OUR PRAYERS AND GOOD WISHES FOR EVERY SUCCESS.

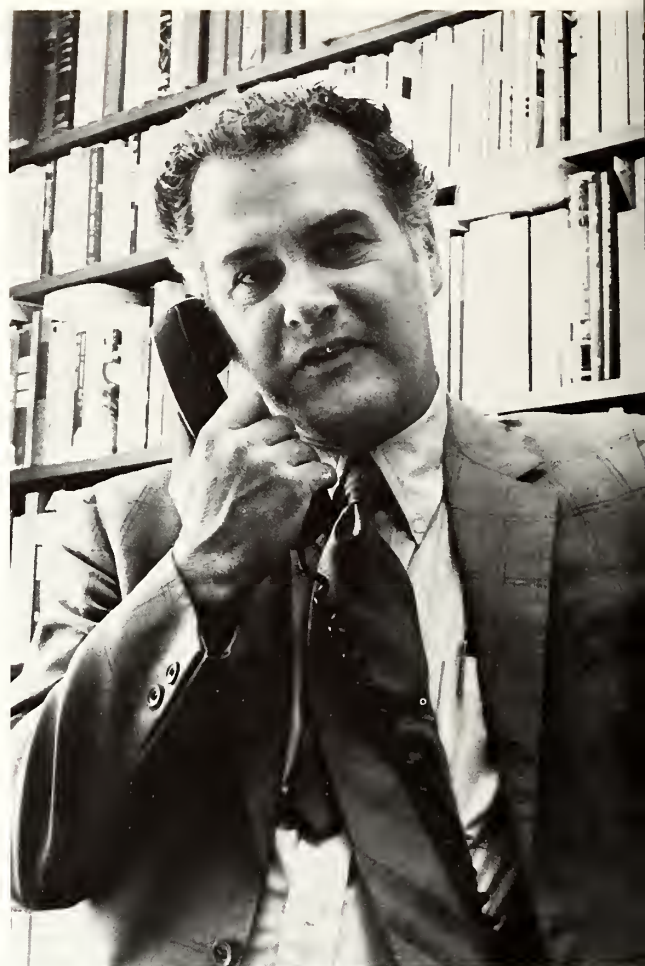

SINCERELY YOURS,

A Noted Benefactor Is Dead

A principal benefactor and long-time friend of Carroll College, Mr. "Eddy" O'Connell, died in Helena on Sunday, October 8th. Mr. O'Connell had suffered a stroke and had been hospitalized for nearly two weeks at the time of his death. Mr. O'Connell was 86 years of age.

It is not easy to describe the ways in which Mr. O'Connell assisted Carroll College; there is no question but that he was deeply devoted to the college and genuinely interested in her future. So much so that in the later years of his life he gave intensely of his time and generously of his personal resources to help Carroll College become "the best in Montana."

Through a personal gift he made possible the construction of O'Connell Hall which was dedicated in October of 1966. The cost of construction of O'Connell Hall was in excess of eight hundred thousand dollars. O'Connell Hall now serves the College as a beautiful classroom-administration building, truly an architectural gem adorning the front of the campus. Carroll College is particularly proud of this fine facility.

With Mr. Al Hibbard and Mr. Bud Galusha, Mr. O'Connell was the initiator of the Carroll College Foundation, a private non-profit organization formed to foster the development of scholarship programs for Carroll students. The Foundation also serves as the vehicle whereby gifts and bequests are received for the benefit of the College and its students.

Mr. O'Connell also helped organize a development council for Carroll College. The council is now called the President's Council. Mr. O'Connell served as the chairman of the President's Council, a position he held at the time of his death. He also helped the College by serving on the Investment Committee of the Board of Trustees and as a member of the Board of Trustees of Carroll College Foundation.

More than anything else, Mr. O'Connell has been a great source of encouragement for our entire college community. He was thoroughly convinced of the greatness of Carroll College and the strong future the College has for Helena and the State of Montana. When spirits sag, as they might, Mr. O'Connell shared his enthusiasm generously, always most confident in his gentle and persuasive way.

In a real sense, Mr. O'Connell is to be classed among the founders of Carroll College in that he did what was needed to help Carroll College adjust to a period which would require that the College be more community oriented, helping Carroll College to serve the whole society as an integral part of the city of Helena and the State of Montana.

While we extend our sympathy to Mr. O'Connell's family, we do express our joy and gratitude to God for having given us Mr. O'Connell's friendship. Carroll College is pleased and proud to have had a share in the full life of Mr. Eddy O'Connell.
